

# OHS Policy

**The top management and the organization is committed in the quest to achieve the highest standard in the area of occupational health and safety. We shall, at all times strive to**

1. Prevent accidents, incidents, ill-health, OHS hazards and risks related to its activities
2. Comply with all applicable OHS legal and other requirements.
3. Establish and review OHS objective and targets for continual improvements.
4. Promote awareness amongst employees, suppliers and contractors through education, training, and publicity program on OHS matters.
